THE COLLEGE COAT OF ARMS

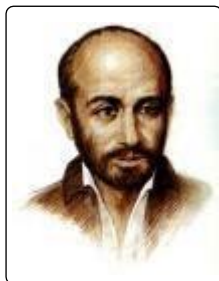

(நன்மைக்கும் உண்மைக்கும்)

The College blazon is not the heirloom of an ancient and noble family handed down with pride of name and glorious memories of the past. It is only a distinctive badge expressing its aim and ideal. It bears azure, with the Trichinopoly Rock and the College Church for distinctive features. The conspicuous Palm tree in the middle is the emblem of the East. It bears in fess a bow and above it, is the monogram of the Society of Jesus. Its crest is a Royal Crown and a Lily issuant, both in honour of the College Patron, St Joseph, the Crown to signify that he was of David's royal blood and the Lily to signify his spotless purity. Thus, the whole in ordinary language would read: The college of St Joseph is conducted by the Fathers of the Society of Jesus, at Trichinopoly in the East. The motto "*Pro Bono et Vero*" (for the Good and the True) indicates the ideal which the teachers and the taught should ever keep in their minds as the goal of their efforts in the field of education namely moral and intellectual formation (*From the College Centenary Memorial Volume - 1945*).

ST. IGNATIUS OF LOYOLA THE FOUNDER OF SOCIETY OF JESUS

St. Ignatius Loyola, the founder of the Society of Jesus was born in 1491, as the last child of a large Basque family of Spain. The name of Loyola came from the ancestral castle that was the family heritage of St. Ignatius. According to the traditions of his family, Ignatius was trained to arms and to the etiquette of court life. He was badly wounded in a

battle with France. As he lay convalescing at Loyola, he read the Gospel Narratives and the lives of saints and was inspired to follow Christ by giving up all worldly ambition and trappings of power and embracing a life of poverty, sacrifice and service after the example of these saintly mentors.

He began his new life at the age of 31. He spent a year of severe penance and intense prayer in a solitary cave on the banks of the river Cardoner near the town Manresa. He recorded his experiences in the book of the *Spiritual Exercises*, which became the soul and centre, the rule and character of every Jesuit, who came after. Reflecting on the crisis in the Church of his time, he felt that the need of the hour was for the learned and holy priests, free of greed and ambition and ready to serve the poor and to give witness to the love of Christ for men.

To achieve this objective, he set himself in earnest to study from grammar school to college and university in the various Spanish centres of learning, and finally took his Master's Degree from the Sorbonne University, Paris. At the same time, he won over a group of brilliant and like-minded university men one of whom was St Francis Xavier (the patron saint of India), moulded them by the *Spiritual Exercises* and welded them into a religious fraternity which became the *Society of Jesus*. The followers of St. Ignatius popularly came to be known in the course of time as Jesuits.

THE JESUITS

The Society of Jesus is a world-wide organisation of religious men, numbering about 15,500 spread over the world, of whom over 3,000 are working in the provinces of India. In Tamil Nadu alone there are about 500 Jesuits working in schools and colleges, youth services, publication, refugee and migrant services and social work centres, in parishes and mission out-reach programmes, and in almost every form of service and ministry of the Church.

THE JESUIT VISION OF HIGHER EDUCATION

It is world-affirming. It assists in the total formation of each individual within the human community. It includes a religious dimension that permeates the entire education. It is an apostolic instrument that promotes dialogue between faith and culture.

It pursues excellence in its work of formation and witnesses to that excellence. It insists on individual care and concern for each person. It emphasizes activity on the part of the student and encourages life-long openness to growth. It is value-oriented. It encourages realistic knowledge, love and acceptance of self and provides a realistic knowledge of the world in which we live. It is a preparation for active life commitment. It serves the faith that does justice, seeks to form *men and women for others* and manifests a particular concern for the poor.

It provides adequate personal care and concern for others. It celebrates faith in personal and community prayer, worship and service. It stresses lay-Jesuit collaboration and relies on a spirit of community among administrators, teachers, parents, alumni and benefactors in an atmosphere that promotes community.

It adapts means and methods in order to achieve its aims most effectively with a common vision and a common goal. It assists in providing the professional training and on-going formation that is needed especially for administrators and teachers.

It is an apostolic instrument in the service of the Church as it serves human society. It prepares students for active participation at the Church and the local community, for the liberation and service of others, taking Jesus as a model.

In the context of existing inequalities, injustices and dehumanizing poverty in contemporary society, the Jesuits are committed to challenge and change these oppressive structures through this college, towards the integral liberation of man in collaboration with Christians of different denominations, people of other religions and secular movements working with a similar vision.

Unfortunately, there are lots of people in the educational institutions who suffer from *the Cain Complex* and repeatedly ask the question: *Am I my brother's keeper?* The scholarly privileged class has repeated this question for centuries. These students and teachers have been trained to think only about themselves and their own future. What is needed is that the college imparts such an education as to give witness to social justice. In short, education must be value-based and value oriented.

Educational enterprise should have faith and justice dimension to bring about the social change. It means that the educated and the educators should be committed to faith and justice.

The Jesuit educational institutions shape students into agents of social change preparing them for concerted social action and thus paving the way to mass movements which will bring about the desired liberation. They will in their admission policies actualize *the preferential option for the poor* by giving a privileged place to the weak who are poor economically and academically and form them as men for others stamped with the Ignatian hallmark of excellence and re-orienting itself in order to respond to the crying needs of today's society. They will also promote research in those branches of arts, sciences and relevant pedagogy which would help build a just social order.

To achieve these Goals

For Jesuits

- An awareness and commitment to the vision
- Involvement in neighbourhood ministry
- Keeping abreast of the changes in Higher Education
- Commitment to higher education as a mission

For Staff

- Training staff to understand and accept the Jesuit vision and option
- Motivation to commit themselves to work for the poor
- Training in special skills related to integral formation
- Inclusion in planning and execution
- Encouragement in relevant research
- Provision for updating/ongoing formation

For Students

- Courses on Personality Development
- Courses on Leadership and Human Rights
- Involvement in outreach neighbourhood programme
- Participation in various human rights issues
- Training in critical thinking
- Creating environmental awareness
- Training in civics and duties of a citizen
- Training in multi-religious tolerance
- Appreciating all cultures and religions
- Training to work as a team

The Jesuits are aware of the great structural constraints they work under and so they have real apprehensions as to how effective their educational institutions could be in bringing about the desired social change through social action. Yet, responding to the greater call to be pioneers and prophets, they engage themselves in this momentous task of liberation with a readiness to pay the price the kingdom demands.

TOWARDS COMMUNION WITH MOTHER EARTH IN HUMAN SOLIDARITY

Excerpts from the statement of the Jesuit Madurai Province Assembly held at St. Joseph's College, Tiruchirappalli on 27-28, December 2009.

We stand at a critical moment of Earth's history and we perceive more clearly than ever before that Mother Earth is groaning under the impact of environmental degradation. We also note with grave concern that Mother India is being subjected to the onslaught of communalism.

The cry from the wounded Mother Earth caused by the unprecedented environmental destruction through depletion of natural resources, desertification, global warming, pollution and widespread displacement of people caused by ill-conceived developmental initiatives is echoed across the universe (GC35 D3/33). In fact, the very survival of the earth community is being endangered. This calls for urgent intervention with effective advocacy to restore the environment as the sacramental site of salvation. In today's global context of growing fundamentalist ideologies based on religion, the secular and pluralistic image of our own country is being tarnished with ever increasing violence. We need to counter this. We should not be mute and passive spectators to the violation of human rights in our country but act as a protest force raising our voices unitedly against such inhuman acts. In this context, we pledge to promote the culture of dialogue and reconciliation across various sections of our country appreciating pluralism. We hope thus to build up a harmonious and equitable society which upholds the inalienable human rights and dignity of all.

We acknowledge humbly that our response so far to the ecological disaster and the onslaught of fundamentalism has been minimal and uncoordinated. We are grateful to all people who, with their enduring search for human dignity, permit us to accompany them in this historical striving for eco- restoration and human solidarity.

"God freely created us so that we might know, love, and serve him in this life and be happy with him forever. God's purpose in creating us is to draw forth from us a response of love and service here on earth, so that we may attain our goal of everlasting happiness with him in heaven.

All the things in this world are gifts of God, created for us, to be the means by which we can come to know him better, love Him more dearly, and serve Him more faithfully.

As a result, we ought to appreciate and use these gifts of God insofar as they help us toward our goal of loving service and union with God. But insofar as any created things hinder our progress toward our goal, we ought to let them go."

SCHOOLS OF EXCELLENCE

Schools of Excellence have been planned and implemented in 2014-15, by integrating related disciplines under one roof. The six Schools of Excellence form an umbrella to cater to the academic needs of the inter-related disciplines, while retaining the identity of the departments and reinforcing their autonomy by keeping in focus the career prospects of students. Accordingly, the curricular design emphasises on skill based and job-oriented courses on demand in order to empower the student community to face the global demands of the 21st century. The School system aims at facilitating:

- a) optimal exploitation of resources - human and material,
- b) flexibility of courses - movement of students with their choice of courses and credits (inter and intra departmental for promotion of horizontal movement),
- c) credit transfer across disciplines by strengthening the choice based credit system (CBCS) along with the existing curricular structure imposed by TANSCHÉ and other higher agencies,
- d) human excellence in specialized areas,
- e) thrust in internship and/or project as a lead towards research, and
- f) model curriculum encompassing an multi-discipline approach to cater to the needs of the recruiting industry.

The following seven Schools offer degrees ranging from Undergraduate to Ph.D. in various faculty/disciplines as outlined below:

RULES AND REGULATIONS

Attendance:

Attendance is obligatory in the College. Students are expected to attend classes everyday without fail. However, if there are some important and genuine reasons such as family functions, ill-health, *etc.*, students can avail leave after obtaining permission from the Vice-Principal (Academic) in the prescribed form available in the College Office.

1. Daily attendance of students is marked in e-register by the individual teachers for every hour and the same is uploaded on the college website. Students are expected to check their attendance entry regularly. In case of any discrepancy, they should get it corrected by contacting the teacher concerned and the Vice-Principal (Academic) within two days. No request for correction will be entertained after two days.
2. Percentage of attendance is computed course-wise. Students are expected to acquire minimum 85% attendance in all the courses offered in a semester to appear for semester examination. The maximum percentage of absent among all the courses will be considered to condone the lack of attendance.
3. Medical Leave (ML):
For reasons of illness beyond three days, the leave application along with a medical certificate should be submitted by the parents/local guardian/to hostel director on or before the 5th day of illness. A fitness certificate from the Doctor who treated the student should be submitted to Fr. Vice-Principal (Administration) on the day of rejoining the college. The submission of medical certificate does not entitle a student to earn attendance for the days of his/her absence. The Principal may condone lack of attendance upto 10% on medical grounds. Continued absence without leave (more than 10 days) will render a student liable to have his/her name struck off the rolls.

4. Leave on Other Duty (OD):

Those students who represent the college in sports and games, or in competitions, such as fine arts, quiz, elocution, etc., or in NSS/ NCC campus, are given credit of attendance for the period. It is called Leave on Other Duty (OD). They should fill in the proper forms meant for OD and get them countersigned by the professor-in-charge and submit it to the Vice-Principal before they leave the college for participation. Those who fail to do so will be considered as absentees.

In any official tournament or match where the college takes part, no student of the college shall play for any outside team.

Those who represent the district teams will be given leave on other duty if the Principal is requested by the district secretary in advance. Otherwise their claim for leave on other duty will not be considered.

5. A maximum of only 15 days per semester is permitted for students on other duty attendance. However, specific cases which are likely to exceed this limit will be referred to Fr. Principal well in advance for such special permission. On the completion of such activity, they should submit the attendance certificate/evidence.
6. Eighty Five percent attendance in every course is a pre-requisite for:
- (a) permission to write semester examinations, and
 - (b) award of scholarships of any kind. No exemption will be granted.

Disciplinary Rules

The following acts are strictly forbidden in the College. Students engaged in the following acts will be dismissed / suspended from the College:

1. Ragging of any kind and any magnitude inside or outside the campus.

2. Use of Mobile phones and other electronic gadgets inside class or corridors or in Exam Halls or during common programmes and in working hours. Confiscated mobiles will not be returned on any reason.

4. Smoking, possession or use of drugs, alcohol or peddling drugs in the campus or anywhere else.
5. Taking tuition from the teachers of our College without written permission from the Principal.
6. Any kind of misconduct/misbehavior inside/outside the campus (in public places, buses, trains, *etc.*) or detection of foot-board travel, blocking the traffic, unruly behavior in buses/trains or any kind of annoyance to the public will also result in the immediate withdrawal/permanent cancellation of all student travel concessions and the scholarships, *etc.*,
7. Malpractices such as cheating, bribing, gambling, copying in tests and exams, giving false declarations, spreading rumours/ writing/ printing/ disturbing/ displaying unauthorized notices of any kind, *etc.* in the campus or anywhere else.
8. Inviting/ meeting strange or unauthorized persons inside the campus without written permission from the Principal.
9. Causing damage to college/public property.
10. Violating rules of the college during Student Council Elections.

3. The library is fully computerized. Searching, issuing and returning of books are done through computers.
4. The students are advised to keep their bar-coded identity card (ID) safely and not to lend their ID to any other student. While entering the library, students should show their ID for borrowing books.
5. Students are permitted to take books from the stack and return the same between 08:30 a.m. and 05:00 p.m. Book-Bank books will be used to the needy and poor students on request. After borrowing books, the students are advised to check the condition of the book before leaving the counter.

Vehicle Parking

Students who come to college by a two wheeler or four wheeler must contact Assistant Manager of Campus Maintenance for registration and other details. Vehicles must be parked only in the parking lot.

Dress Code

Students are expected to be in simple and formal dress and properly groomed in the college premises.

Girls : Girls must wear either saree with sleeved blouse or churidar / salwar kameez (Leggings and Jean Pants not permitted) with sleeved long *kurta* with *duppatta*.

Boys: Boys must wear full formal pants with formal shirt. T-shirt and shirts with letters or word printed are not allowed.

Students have access to free Wi-Fi in the college premises. They are expected to make use of the facility responsibly.

To Parents

Parents and Guardians are requested to cooperate with the college authorities in the formation of good character, in maintaining regularity in attendance and progress in studies of their children/wards. Attendance of students is available on the college website www.sjctni.edu and in SJC Parent App.

Parents/Guardians are advised to check in person with HoDs/Vice-Principal regarding the attendance of their

children/wards and through SJC Parent Mobile App. The results of even and odd semesters are published in the months of May and December respectively. All the Parents/Guardians have to come with their wards for the Parent-Teacher Meeting schedule by the college.

A student once enrolled for a programme is expected to complete the same. He/she may not withdraw from the institution without informing the Principal in writing. Otherwise, he/she will be liable to pay fees for the entire period of the programme and his/her name removed from the roll.

Parents are asked to ensure that their wards follow the dress code prescribed by the college management. [பெற்றோர்கள் தங்கள் பிள்ளைகள் கல்லூரியால் வரையறுக்கப்பட்ட ஆடை நெறியை (Dress code) மின்பற்றி சரியான முறையில் ஆடை அணிகிறார்களா என்பதை உறுதி செய்து கொள்ளும் படி கேட்டுக் கொள்ளப்படுகிறார்கள்].

CHOICE BASED CREDIT SYSTEM (CBCS)

The College has opted for *Choice Based Credit System* for the students admitted in UG and PG Programmes from 2001. It is applicable to all the Programmes under the Aided and Self-Financing Sections. The students of diploma courses do not come under this scheme.

The objectives of the credit system are:

- To provide mobility and flexibility for the students within and outside the department;
- To provide broad-based education;
- To enable students to learn at their own pace;
- To provide students scope to acquire extra credits;
- To impart to students more job-oriented skills; and
- To make any course multidisciplinary in approach.

From 2021-22 onwards, the College promotes the extended version of CBCS under Outcome Based Education (OBE) model as expected by the UGC called LOCF.

OFFICE OF THE CONTROLLER OF EXAMINATIONS

Rules on the conduct of the CIA, the basic requirements for the students to appear for the Semester Examinations and disciplinary action taken against students indulging in malpractice are outlined below:

Continuous Internal Assessment (CIA)

- ❖ CIA is a mandatory requirement for all the students in all the courses.
- ❖ A student is expected to attempt all the two components, Library referencing and Mid and End Semester tests to acquire minimum CIA in a course. The following are the distribution of the CIA marks.

Distribution of CIA Marks

Title	Marks
Component – 1 (Online)	15
Component – 2 (at various Level)	20
Library Referencing (at K3 Level)	5
Mid Semester Tests	30
End Semester Tests	30
Total	100
Passing minimum for a course in UG is 40	
Passing minimum for a course in PG is 50	

- ❖ The various assignment Components (suggestive) could be Quiz (written / objective), Snap Test, *Viva-Voce*, Seminar, Listening Comprehension, Reading Comprehension, Problem Solving, Map Reading, Group Discussion, Panel Discussion, Field Visit, Paragraph / Essay Writing, Open Book Test, Library Record, Writing Composition, Case Study, Online Test and any novel and innovative assessment.
- ❖ As a special consideration, students who publish papers in refereed journals would be exempted from one of the assignment Components in one of the courses at PG level.
- ❖ One of the assignment components for UG & PG will be of 15 marks which is compulsorily objective Multiple Choices Question (MCQ) type. This component will be conducted through JosTEL by the department / faculty concerned in **online mode**.

- ❖ Student who absents himself/herself from a component or Mid semester test for valid reasons will be given another opportunity, provided he/she produces relevant documents as soon as he/she returns to the college within a week through proper channel.
- ❖ The required pro-forma for rewriting the Mid semester test or assignment component is available in the website. Fr. Principal has to give permission using his discretion based on the recommendation of the course teacher and HoD concerned.
- ❖ Students are eligible to write Semester Examinations only after they score 40 percent marks in a course for UG and 50 percent marks in a course for PG Programmes. **There is no improvement for CIA.** Those who fail to acquire the minimum CIA are asked to apply for CIA Arrears.
- ❖ **CIA Arrears** (after the student leaves the college): The student will have to follow the question pattern suggested by the O/o CoE.
- ❖ Community Service (SHEPHERD - an outreach programme) is a unique and compulsory course for all UG & PG students. SHEPHERD in Part-V, Value Education Courses, Environmental Studies and Communicative English (Bridge Course in English) in Part-IV are compulsory part of the curriculum of the UG programme. If a student fails to fulfill the requirement of the above mentioned courses, he/she will not be receiving the degree.

Malpractices

- ❖ In case of malpractice in the **Mid/End Semester tests**, the CIA for that particular course will be scrapped and students will not be permitted to appear for the semester examinations for that course alone; but he/she will be permitted to do so in the following semester as an arrear in CIA.
- ❖ In case of malpractice in the semester examinations (Theory & Lab Courses), all the courses in that semester stand cancelled (except fully internal courses) and the candidate is debarred from writing all the semester examinations for two semesters - the one in which booked for malpractice and the next.

- ❖ In case of malpractice in the semester arrear examinations, all the courses in that arrear examinations stand cancelled and the candidate is debarred from writing these courses for two semesters - the one in which booked for malpractice and the next.

Time Ceiling for Completion of Degree

The Academic Council permits UG students to complete their programme within five years (3+2) and PG students within four years (2+2) as per UGC/ University guidelines. Thus **time span is N+2 years for completion of programme, where N is the minimum duration of the programme.** If there is any change in the course due to change of syllabus revision, the equivalent course identified by the respective HoDs and Dean of that school will be the new course for CIA and Semester Examination. Previous CIA marks will not be considered for acquiring the degree.
