PROFESSIONAL SUMMARY

As a passionate Library and Information Science professional with 9 years of experience, I have effectively served undergraduate, postgraduate, and M.Phil. students across regular and distance education programs, covering a wide range of subjects. My goal is to introduce innovative and engaging teaching practices that spark curiosity and foster a love for learning among students.

With strong interpersonal skills and a friendly demeanour, I excel at building positive relationships with library patrons. I am adept at training and orienting new library staff, creating a collaborative and productive environment. Through innovative initiatives, I have empowered users to develop self-learning skills and facilitated meaningful connections between students and faculty, enriching the overall academic experience.
