The minutes were passed. Fr Principal informed the members that a committee would be constituted for planning for and executing NAAC work for the fifth cycle of Accreditation.

Dr A. Rose Venis presented the year plan of the IQAC, and stated that the IQAC would take up the indirect attainment of the learning outcomes of the students for the 2023 batch of students. Dr V. Jude Nirmal suggested that the IQAC could create a monthly plan. He also raised a query on the analysis and outcome of the feedback taken from the stakeholders. Dr Rose Venis responded that the suggestions were forwarded to the departments for the planning for changes.

In the discussion regarding the work for Model Villages, Fr Principal insisted that the work could be over by December 2025. He also wanted the team to work on the budget proposal for the same. It was also decided to form a committee for drafting the Institutional Development Plan of the institution based on the guidelines provided by the UGC. It was suggested that a permanent committee can be formed for updating the IDP based on the changes in the Higher Education scenario.

There was a suggestion to demand a three-year report from the departments in the Annual Academic Audit. Answering a query regarding the choice of External Audit Members, Fr Principal remarked that the same team should be invited at least for a period of three years so that the continuous development of the institution could be assessed. The meeting came to an end with Fr Principal thanking the members for their active participation.
