**I** deem it a privilege to present this Message to "Josephite 2017". At the outset let me congratulate the Magazine Committee and Frs.

Principal, Secretary, Jesuit Community, Staff and Students and the Alumni. Truly the Josephite 2017 reflects and shines as an embodiment of our collective efforts to offer quality education. More than a coincidence, this volume serves as a threshold towards our Anniversary of 175 years. Many among us have witnessed during the last three decades different Jubilee celebrations of our Institution such as St. Joseph's hundred years in Trichy celebrated in 1983, followed by St. Joseph's at 125 years

(quaquicentennial), since its founding at Nagapattinam celebrated in 1969, then St. Joseph's at 150 years (sesquicentennial) celebrated in 1994-1995 and now we are awaiting the dawn of 175 years (Quartoseptcentennial or Dorasbicentennial). Generation of students spread all over the world will be thrilled as we get ready to commemorate our service to the Nation for the past 175 years. Declared and crowned by the UGC with the status of Heritage College we take pride on our College Magazine which was started as early as March 1912. The first volume succinctly highlights the humble beginnings of our Magazine. On 6th December 1911, Fr. Francis Betram S.J. the Rector of St. Joseph's received a 'Report' on behalf of the members of the College Literary and Scientific Association that the college should "start a Magazine treating of Literary and Scientific topics". The above Report included details of the discussion they had on the structure, subscriptions and the management of the Magazine. Fr. Betram replied, "it is a pleasure for anyone in authority to grant a reasonable request, but it is a double pleasure to second the initiative of the students, when their action is inspired by a sincere desire for the improvement of the Institution.... I have then great pleasure in accepting the Report and approving generally the scheme proposed". With this Historical epochal approval, "The Magazine, St. Joseph's College" started to appear as quarterly from the 1st March, 1912, with subsequent issues in July, September and December every year.

While going through the four issues of the 1st volume of 1912, we find erudite articles, reports and other items of historical interest contributed by staff and students. To cite some examples topics one can find articles on Hamlet; Snakebite; Poetry as a pleasure of life; Art; the Titanic; the Imagination of youth; East and West, Laboratories in Europe; Social Reform; The sublime; Indian Music; Evils of caste; A Monsoon morning etc..... As we peruse the subsequent volumes published since 1912 till date we find in them a historical and encyclopaedic coverage of themes of interest, expression, erudition, research calibre and topics of popular concern with societal thrust.

As inheritors of a legacy par excellence and Unique Academic Heritage, we have carefully embellished over the years the contents of the Magazine which in recent years has been christened as the Josephite. The present volume Josephite 2017 is a veritable compendium and has meticulously documented our research endeavours, teaching and learning innovations, co-curricular and extracurricular activities of the academic year 2016-2017. The quest for excellence and its attainment are very evident all through the pages. As a collaborative mission of the Jesuits and our lay collaborators, giving expression to the aspirations of the students, the Josephite of 2017 is a splendid and eloquent achievement by the Magazine Committee. With the solid support of Frs. Principal, Secretary and all Administrators, together with the Staff, the Josephite 2017 is a glorious is an impressive tribute to the Ignatian Charism of "Magis". Let me once again congratulate the editorial team, its head and members. I wish that the Josephite 2017 acts "as a Fire that kindles other fires" so that all of us are enabled to row "Into the Deep" to serve Our Mother Land.

Rev. Dr. S. John Britto, S.J.  
Rector

As every academic year, 2016-17 was a year of a plethora of activities and events. It was also a year of consolidation after the significant modification carried out in the Physical structure of the Chemistry Department, the hallowed Lawley Hall and the Digby Hall. Academically the college made great strides in adopting a process of digitalization with the introduction of the ERP system in the area of admission, evaluation, networking of student information, attendance and payment of various fees. We, the staff and the students are legitimately proud of all these achievements.

Josephite is both a report of these developments in the academic and cocurricular fields and a reminder of the long road to travel to make the College a University.

I am happy that Josephite '17 has been got ready by the team of editors headed by Dr. J. John Love Joy, the silent and dedicated genius. Congratulations and sincere appreciation to Dr. Love Joy and his team members for the excellent work done. I am sure that every student and staff member will feel proud of our achievements and of the temple of learning, St. Joseph's College.

**Rev. Dr. A. Antony Pappuraj, S.J.**  
Secretary

Over the years, at St. Joseph's, we have built a tradition of excellence and distinguished standing in education. This 104th issue of Josephite marks the culmination of all activities with a view to providing proper acknowledgement and respect for all the efforts taken by the management, the staff and the students. Every year we see a substantial increase in activities. To cite a few, 2016-17 witnessed renovation of Lawley Hall, introduction of e-attendance, Memoranda of Understanding for international collaborations, publication of 280 papers in international journals and foreign academic visits.

Instead of the usual 5 years, NAAC has extended our validity of the accreditation to 7 years. This shows the consistency in our quality and performance. As we are in the threshold of the 175 years of our existence, we have started the construction of the additional floor of the Museum and Herbarium which are hallmarks of St Joseph's College. We have also started constructing an Indoor Stadium with a Sports Hostel. This Indoor Stadium will also serve as an auditorium that would house nearly 3000 students to conduct any big event like Convocation or INDEP programme.

As we reflect on our journey, with just a year to go by for Dodransbicentennial celebrations, it is about time to boost up our dedication with renewed zeal to chart out new directions and explore new avenues. We wish to have an International Alumni Congress where we want to see a galaxy of our alumni from all parts of the world radiating the values of St Joseph's in their respective walks of life. We also have an idea of starting a new Institution in the 175th year. We invite your opinions, suggestions and contributions - intellectual and otherwise.

**Rev. Dr. A. Francis, S.J.**  
Principal

St. Joseph's College is approaching its 175th year of affirmation of excellence in education. Such excellence depends mainly on the dedicated efforts taken by the stakeholders who work round the clock planning things meticulously with a vision for the future. Every year, a slew of new ideas are brought to the table and these ideas define and set apart the tradition of St. Joseph's College. As you flip through the pages of Josephite 2016-17, you will come across a plethora of activities which include national and international symposia, conferences, workshops, exhibitions, awareness camps and other co- and extra-curricular events. A lot of effort has gone into the making of this 104th issue. I would like to thank and express my gratitude to the management, administrators, members of the Editorial Board, staff, students and Mr. S. Jesudoss for the encouragement, support and feedback.

### GRACE 2017 – A Report

The 22<sup>nd</sup> State Youth Prayer Convention was held on 19<sup>th</sup> February at St. Joseph's College, Trichy. Rev.S.John Britto SJ, Rector, ignited the souls of youth by his fervent prayer and message. The amazing preaching by Fr.Thamburaj James S.J., on Mother Mary's role on salvation enthused the audience.

Even though it was a **One Day Fasting Prayer**, participation of the youth force was encouraging. Yes, it is 1,625, from **93** colleges this year. Who could venture such a grand Spiritual Mela? It is the Josephite alumni, containing **206** members, who are the catalysts and inspiring youth force from all over Tamilnadu, who gathered in a large number.

The days contained a series of transforming moments, where all the youth participants realized their creative spiritual potentials. Yes, it was the youth empowering camp by the college campus ministry. The Grace occasion has attracted **314** youth from various parishes, and **215** fathers, brothers, sisters, preachers, counsellors etc., apart from college youth in hundreds. The whole program was run by the Campus Ministry of our college in coordination with our alumni. The Grace Ministry was activated by the encouragement given by Campus

Minister and the college management. The infrastructure, the necessary arrangements and the space areas were freely offered by St. Joseph's College, Trichy which is laudable.

இதற்கெல்லாம் காரணம் ஒன்றே ஒன்றுதான்: இந்த வளம் தரும் திருச்சி வளனார் கல்லூரி வளாகம்!

### Fr. JEROME CENTER FOR INFORMATION AND COMMUNICATION TECHNOLOGY

Fr. Jerome Center for Information and Communication Technology (JCICT) is one of the centers of excellence in the campus. This center is to promote, advocate and update the technology in the campus through internet service. JCICT started a two year project in 2015 – 16 to update itself with the latest technology. The project has been completed this year for its target and bit more.

- Internet band width has been updated to **100Mbps** from 30Mbps through BSNL one to one leased line optical communication with a budget of Rs17 lakhs
- With addition of one more **server** costing Rs10 lakhs this year, two **DELL R430** servers are serving round the clock for our Web and ERP services.
- Under the structured networking one more L3 switch has been added in service with an investment of Rs. 3.8 lakhs. Now, two stacked **Extreme L3 24 port** manageable switches are working as backbone of our network under **Dell Sonic wall 4600 series firewall**.
- Five more L2 switches have been added to network this year with an investment of Rs2.9 lakhs. With this, our campus is divided into 22 network segments and 22 **CISCO L2 manageable** switches are working as edge switches through optical cable connectivity. All the edge switches are powered by JCICT to have uninterrupted internet and intranet services in the campus.
- **24 more Wi-Fi access points** have been added to existing 54 access points this year with an investment of Rs8.64 lakhs. Sixty two 2x2 and Sixteen 3x3 of 1.2Gbps and 1.86Gbps bandwidth access points are employed in Wi-Fi

service of the campus. All the access points are powered and monitored by JCICT to have controlled Wi-Fi throughout the campus.

- **Software called Hot Spot** has been installed and activated with a budget of Rs2.45 lakhs for three years period to have registered and authenticated internet users, with a user limit of 7000 and 700 concurrent users and for browsing data maintenance. Using this software the faculty, staff and students of the campus are registered with username and password to access internet. The faculty and staff can have access to internet through three concurrent devices mobile/Tab, laptop and desktop system. The students can have access through two devices – laptop or desktop system.
- Our college has signed an **Academic licensed agreement** with Microsoft with a budget of Rs4.31 lakhs to have Microsoft products like Windows sever, **Windows10 OS, Microsoft office, Microsoft MSDN, SQL and CAL suite.**
- **Adobe CC** licence has been renewed with a budget of Rs. 8.1 lakhs to have licensed access adobe products like Flash, Dreamweaver and Photoshop CC
- **Antivirus software Kaspersky** purchased with an investment of Rs. 9.68 lakhs for 900 users to secure all the computers of our campus from virus for three years.
- **40 computers** of JCICT PG browsing center have been upgraded with **new i3 processor, 4GB RAM, hard disk keyboard and mouse.** 35 computers are **upgraded to 4GB RAM from 2GB RAM.** At present 172 computers are available in JCICT UG and PG internet browsing centers.
- **90 batteries** of online UPS of JCICT have been replaced with new batteries to have better power back-up support.

By the above investments, JCICT has updated equipment and structured networking to meet the internet and intranet needs of the campus. Now JCICT has the capacity and ability to deliver a decent network support at JCICT or at any location of the campus. We thank the Management and the funding agencies for this endeavour.

#### Service Rendered

Along with the regular work of internet/intranet service and technological support to the campus, JCICT undertakes new initiatives. This year JCICT has taken up two unique new initiatives namely students' e-attendance system and Bio metric attendance for management staff and research scholars.

- A mobile app based students' e-attendance system has been developed by A. Gratus Iruthaya Kisho, a mobile App developer, the database, wireless connectivity and training support were rendered by JCICT and the project is successfully implemented in our campus.
- A bio metric attendance system using finger print unit has been successfully installed and configured by JCICT for management staff and research scholars' attendance.

JCICT used to extend its support to the ICT needs in the campus. One of the unique supports rendered is collaboration with Shepherd department for school webinar project. JCICT gave all technical support to SHEPHERD department for online teaching, training and webinar to select schools under a project.

A few other important tasks where JCICT has given its support are Staff training, Staff Evaluation, Computer Literacy Lab, Placement Cell, Video Conferencing, Id card Printing for I year UG & PG, M.Phil., Ph.D. students, Id card printing for Teaching & Non-Teaching (Aided & Unaided) staff, MHRD Entry, CIA Component II & III, Online PG Admission, UG admission, Online Fees Payment, GRACE – online video Streaming for Spiritual and Technical Work in various College

functions like College day and INDEP. All the above are done by a small team of JCICT members comprising Dr. I. Arul Rayappan, Director, Chief Co-ordinator, Asst. Co-ordinator, Web Administrator, System Administrator, Asst. System Administrator, Service Engineer and six earn-while-learn students.

## INTERNSHIP CELL

Distinction in the classroom education is no more sufficient in finding a suitable job. Thus, internship is introduced to help the students learn the multi-dimensional aspects of a job. Internship is also important because it gives the students an opportunity to interact with people from diverse walks of life.

Each person might be different in their language, personality, and profession. Interacting with people will teach the students more about real world experiences faster than the classroom learning.

What was introduced on a trial basis two years ago, has become a part of the course work for the final year UG students from the academic year 2016-17. Students completed their internship

programme during the Christmas vacation - lasting a duration of two weeks, and viva voce was conducted on 24-02-2017. The marks assigned were as follows: 25 marks for the report presented and 75 marks for the viva.

The general opinion of the students is that internship gives them relevant knowledge, skills and experience while establishing important connections in the field they are interested in.

### TRAINING AND PLACEMENT CELL

The training and placement cell began its activities with the HCL talent care drive for the passed out students of 2016. On 30<sup>th</sup> July 2016 the training and placement cell in collaboration with CII distributed 6,000 books free of cost to 50 schools and colleges in and around Trichy. L&T held its drive in our campus on 7<sup>th</sup> September 2016. Nasscom Foundation along with Barclay conducted Youth Employability Initiative training program for 200 students from 26<sup>th</sup> September 2016 to 9<sup>th</sup> October 2016 through Global Talent Track.

The Internship cum placement drive by Placementseason.com, Coimbatore was held on 22<sup>nd</sup> October 2016 for MCA and MSC Computer Science students. Aspire drive was held on 19<sup>th</sup> November 2016. One day BBC frame work based Top of up skill Training Program was given to final year B.Com & M.Com Students.

A number of schools and colleges visited our campus for recruiting teachers for their respective institutions. They include Sri Saradha Memorial School, Winner Education Foundation, SRV Matriculation School, Raja Vignesh School, Trinity CBSE School, Kumutha Matriculation School and so on. The other leading companies who recruited our students include SANMAR, MRF, RAMCO, CTS, STERLITE, ATOS and Smart Learning Solutions. Indian Air Force offered a motivational talk cum placement opportunities in Indian Air Force, for the students after their studies. They gave a demo with aircraft stimulator setup to the students.

Twelve of our students received Mahindra Educational Finance Assistance. Nine UG students received Rs.10,000 each and three PG students received Rs.25,000 each.

So far, through the Training and placement cell around 170 students have been placed with good jobs and we expect a few more institutions to visit our campus for recruitment.

## கிறித்தவ ஆய்வு மையம்

“பொதுவாகவே ஓலைச்சுவடிகள் என்றால் ஜோதிடக் குறிப்புகள், சமஸ்கிருத கதைகள், இந்த சமய இலக்கியங்கள், நாட்டுப்புறப் பாடல்கள் போன்றவைதான் இருக்கும் என்று பலரும் நினைத்துக் கொண்டிருக்கிறார்கள். அப்படி இல்லை! இந்தியாவிற்கு வந்த பல கிறிஸ்தவ மத போதகர்கள் மதத்தை மட்டும் பரப்பாமல் தமிழ் மொழியை வளர்க்கவும் அதிகம் பாடுபட்டு உள்ளனர். தொன்மையானதும் இனிமையானதுமான செம்மொழியான நம் தமிழ் மொழி, சாதி, மதம், இனம் என அனைத்திற்கும் அப்பாற்பட்டு பலரையும் வசீகரித்துள்ளது. அதனால்தான் இத்தாலியில் இருந்து இங்கு வந்து ஒருவர் வீரமா முனிவராக ஆனார். அவரைப் போல இன்னும் நமக்குத் தெரியாத பல ஆங்கிலேயர்களும் பிற ஐரோப்பியர்களும் முறைப்படி தமிழ் கற்று, பல பாடல்களை ஓலைச் சுவடிகளாக எழுதியுள்ளனர். அதையெல்லாம் தேடிக்கண்டுபிடித்து டிஜிட்டலாக மாற்றும் பணியில்தான் இந்த ஆய்வு மையம் இப்போது தீவிரமாக இறங்கியுள்ளது. இந்த முயற்சியில் 12ஆம் நூற்றாண்டில் வாழ்ந்த புனிதர் கழகொந்தம்மாள் ஓலைச்சுவடிகள், 200 ஆண்டுகளுக்கு முந்தைய ஸ்ரீபகார்த்த விலாசம் மற்றும் சபா நாடக வகைகள், கீர்த்தனைகள் போன்ற ஓலைச்சுவடிகளைக் கண்டுபிடித்துள்ளோம். இருபது வருடங்களில் பல அரிதான ஓலைச்சுவடிகளைச் சேகரித்து வைத்துள்ளோம். கிறிஸ்தவ மதம் சார்ந்தவை தாண்டி சிற்றிலக்கியங்கள், இயற்கை சார்ந்தவை, எழுக்க நெறிமுறைகள், கீர்த்தனைகள், வாழ்வியல் தத்துவங்கள் என்று பலவும் கிடைத்திருக்கின்றன!” அருள்திரு. மணிவாசனின் கவிதைகள், ஆறாம் வகுப்பு மாணவர்களுக்கான செய்யுள் பாடமாக வைக்கப்பட்டுள்ளன. ஆனால், ஓலைச்சுவடிகளைத் தேடிப்போகும் இடத்தில் இவரின் அருமையும் இவர் செய்யும் பணியின் அருமையும் புரிந்து மரியாதை கொடுப்பார்களா என்ன? மெல்லிய புன்னகையுடன் அந்த அனுபவங்களைப் பகிர்கிறார் அருள்திரு. மணிவாசன்.

“தமிழகத்தைப் பொறுத்தவரை கடற்கரையை ஒட்டிய ஊர்களில்தான் அதிகம் ஓலைச் சுவடிகள் இருக்கின்றன. பெரும்பாலானோர் ஓலைச் சுவடிகளைக் கடவுளாக நினைத்து தலைமுறை தலைமுறையாக பூஜையறையில் வைத்து வணங்குகின்றனர். அதை ஏதோ ராசியான பொருளாக நினைத்து யாரிடமும் பகிர்ந்துகொள்ளத் தயங்குகின்றனர். அது ஒரு ஆவணம். அறிவு சார்ந்த வரலாறு. பகிர்ந்துகொள்ள வேண்டிய பொக்கிஷம் ஓலைச் சுவடிகள் தேடலின் போது சிலர் கூறியதைக் கேட்டு எனக்கு கண்ணீரே வந்திருக்கிறது. ‘ஐயோ பாடர்! இப்பவந்து கேக்குறீங்களே... போன வருஷம் அப்பா இறந்தபோது அதையும் சேர்த்து எரிச்சுட்டேனே’ என்றவர்கள் நிறைய. திருநெல்வேலியில் ஒருவரிடம் 500க்கும் மேற்பட்ட ஓலைச் சுவடிகள் உள்ளன எனக் கேள்விப்பட்டே அவரைத் தேடிப் பிடித்தேன். ஆனால், ‘இரண்டு வருடங்களுக்கு முன்பு தந்தை இறந்தபோது அவருடன் வைத்துப் புதைத்துவிட்டேன்’ என்றார். இருந்தாலும் சளைப்பதில்லை. ஓலைச்சுவடி, கையெழுத்துப் பிரதி, அச்சிட்ட பழைய நூல்கள் போன்றவற்றைத் தொடர்ந்து சேகரிக்கப்பட்டு வருகிறது. யாரேனும் எதிர்காலத்தில் கிறிஸ்தவ தமிழ் இலக்கியங்களை ஆய்வு செய்யும்போது, இவை அவர்களுக்கு நிச்சயம் உதவியாக இருக்கும்!”
