

VANITHA KANDASAMY B.E., MBA. PGDJPR. M.Sc. Psychology
vani148in@gmail.com
Mobile - +91-9629079341

Objective

A highly motivated and diligent individual with a diverse background in Engineering and Administration, I discovered my true calling in the field of Psychology which eventually lead to intense aspiration towards the field of counselling Psychology and my passion into purposeful practice. I now serve as a dedicated student counsellor, offering individualized support that nurtures emotional resilience, addresses behavioral challenges, and fosters constructive thinking. My role also extends to guiding students in their academic journeys and professional aspirations, helping them cultivate clarity, confidence, and a sense of direction.
